EXPO 2020 STUDENT PROGRAMME

1 OCTOBER 2021 – 31 MARCH 2022

VERSION: MAR 2021

EXPO
2020
DUBAI
UAE

WORLD EXPOS BE PART OF 169 YEARS OF HUMAN BRILLIANCE AND ACHIEVEMENT

World Expos are the largest mega events in the world, attracting more visitors than the FIFA World Cup and the Olympic Games combined.

World Expos have unveiled incredible innovations to the world, including like the X-Ray Machine, the ice-cream cone, live television, the first mobile phone, among others.

Ketchup, 1876

Eiffel Tower, 1889

Gramophone, 1889

X-ray, 1901

Ice cream cone, 1904

Live television, 1939

Mobile phone, 1970

EXPO 2020 DUBAI

CONNECTING MINDS, CREATING THE FUTURE
1 OCTOBER 2021 – 31 MARCH 2022

Visitors at Expo 2020 Dubai will experience warm Emirati hospitality at its finest, as well as the UAE's values of inclusion, tolerance and cooperation.

Youth is at the heart of Expo 2020, that is why we aspire to create a meaningful legacy that will benefit generations to come, spanning everything from innovations and architecture to sustainability and friendships; a platform to connect minds and create the future collectively.

OF CREATING
THE FUTURE

MEET THE THEME AND SUBTHEMES OF EXPO 2020

Connecting Minds,
Creating the Future

Every World Expo has a theme geared towards finding solutions for a better future. Expo 2020's overarching theme is "Connecting Minds, Creating the Future", with three subthemes to inspire solutions to the world's greatest opportunities and challenges.

SUBTHEME OPPORTUNITY

Explore the 17 Sustainable Development Goals (SDG) and learn how you can contribute to a brighter future.

TOPICS & DISCIPLINES

- FINANCE
- HOSPITALITY & TOURISM
- HEALTHCARE & LIFE SCIENCES
- EDUCATION
- WATER & SANITATION
- CLIMATE CHANGE
- GENDER EQUALITY
- SUSTAINABLE CITIES

SUBTHEME MOBILITY

From driverless cars to the hyperloop and connecting the world, explore the latest innovation in mobility.

TOPICS & DISCIPLINES

- IoT
- AI
- SPACE MISSION
- TELECOMMUNICATIONS
- TOURISM
- ENGINEERING
- LOGISTICS & OPERATIONS
- TRANSPORT (AUTOMOTIVE & AVIATION)
- INNOVATION & TECHNOLOGY
- E-COMMERCE

SUBTHEME SUSTAINABILITY

Understand your impact on the environment and learn how you can become an agent of change.

TOPICS & DISCIPLINES

- FOOD & BEVERAGE
- CONSUMER GOODS
- TRANSPORTATION
- ENERGY, OIL & GAS
- HEALTHCARE & LIFE SCIENCES
- INDUSTRIAL MANUFACTURING

- OPPORTUNITY
- MOBILITY
- SUSTAINABILITY

EXPO 2020 SITE MAP

Conveniently located between Dubai and Abu Dhabi, the iconic Expo site is easily accessible for all visitors.

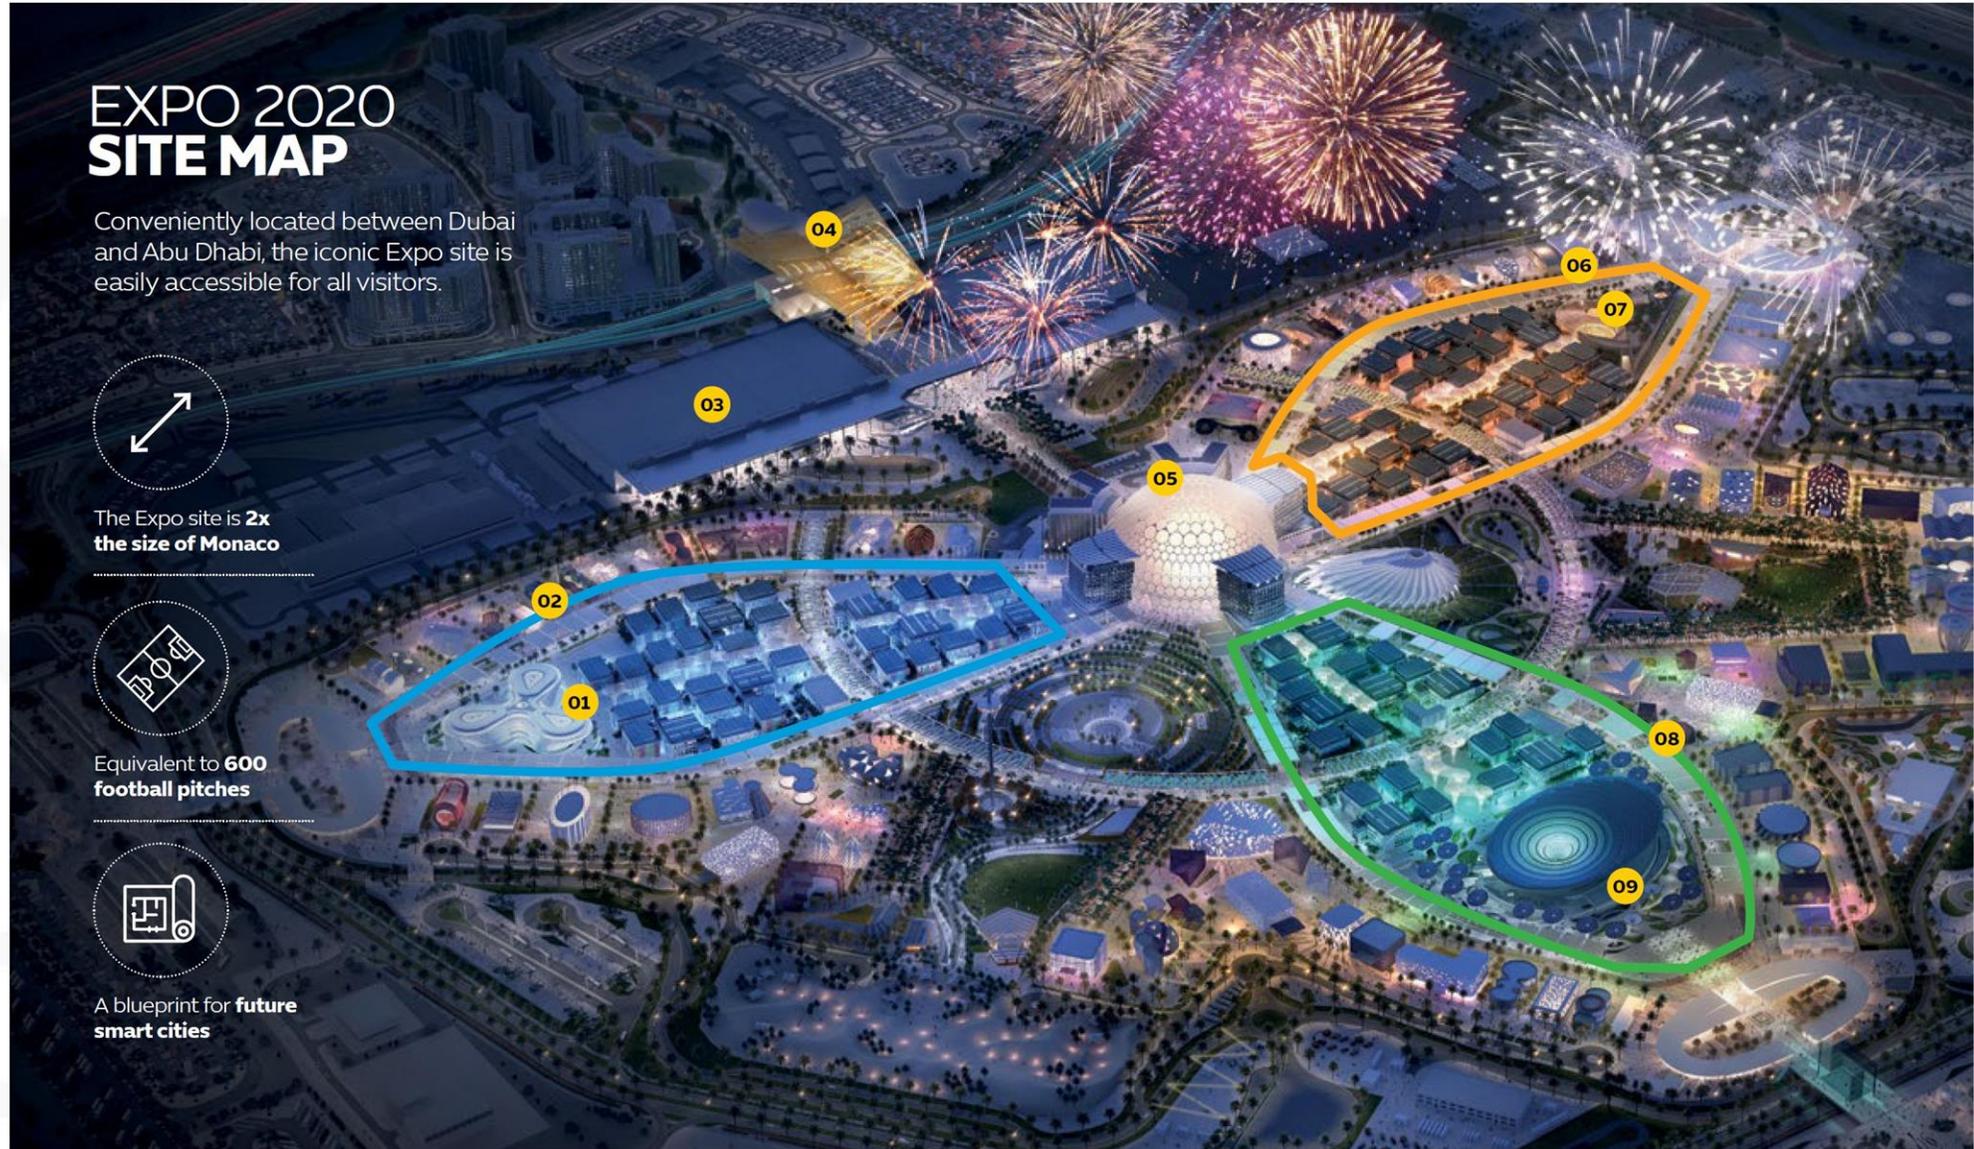

The Expo site is **2x** the size of Monaco

Equivalent to **600** football pitches

A blueprint for **future smart cities**

182 DAYS OF ENTERTAINMENT AND ONCE-IN-A-LIFETIME EXPERIENCES

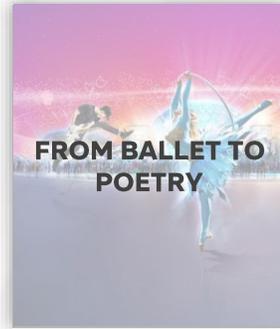

For six months, no two days are the same at Expo 2020. Each day brims with new experiences creating unforgettable memories.

190+ COUNTRY PAVILIONS

60+ LIVE EVENTS PER DAY

200+ DINING EXPERIENCES

AND SO MUCH MORE...

DISCOVER **THE WORLD IN ONE PLACE**

EXPLORE THE EXPO
2020 PAVILIONS

190 + country pavilions as well as thematic and landmark pavilions will feature interactive exhibits, live entertainment, history and cultures, quirky hangouts and plenty more.

THEMATIC PAVILIONS

From the world's most renowned architects and creative teams behind blockbuster movies, our thematic pavilions bring the Expo sub-themes to life through experiences never seen before.

OPPORTUNITY PAVILION

The Opportunity pavilion aspires to engender empathy in visitors to trigger a desire to act to create a better world.

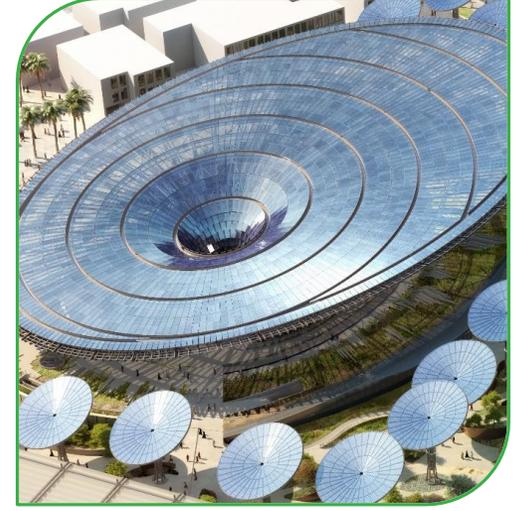

The visitor experience is based on a series of gameplay moments that will challenge the visitor's thinking on issues related to basic needs of water, food, and energy by simulating environments of real life individuals who are agents of change in their own communities.

MOBILITY PAVILION

Proceed to the House of Wisdom in ninth-century Baghdad before you head on to meet nine-metre-tall historical giants of Mobility.

Wow moments designed by storytellers behind some of the top productions in the world such as "Lord of the Rings" and "The Hobbit".

SUSTAINABILITY PAVILION

Creating its own electricity and water, this pavilion features global projects that are creating new paths for sustainability.

Visitors tiptoe underneath a dense forest as the roots communicate with one another and dive into ocean depths to meet a Giant Fish disturbed by ocean pollution.

COUNTRY PAVILIONS

- OPPORTUNITY
- MOBILITY
- SUSTAINABILITY

Navigate the universe with the world's first astronomers at the Australian pavilion, talk to aliens in the Chinese pavilion and take a glance at the future of air travel in the year 2071.

AUSTRALIA
Navigate the universe with the world's first astronomers, and explore a diverse land built on 60,000 years of innovation. Learn about Australian optimism, ambition and creativity.

AUSTRIA
Austria is a nation reimagining ideas. This is reflected in its decision to use 9,000-year-old soil to build its pavilion. The 38 shiny white cones are inspired by the Arab model of wind towers.

CZECH REPUBLIC
View new technology that promises to transform a desert into an oasis. The pavilion will also boast a large-scale installation that shows the nation's long history of glassmaking.

CANADA
Canada tells the story of its past, present and future in a 360-degree immersive theatre. Discover the values that drive the Canadian spirit of innovation and collaboration.

AZERBAIJAN
The nature-inspired pavilion, which has a leaf-shaped roof, will encourage visitors to consider the impact of their individual choices and invest in the future to restore balance to our natural world.

BAHRAIN
Experience density as you walk through artisanal elements including live weaving stations. Take a first-hand look at innovative craft technologies while enjoying exceptional Bahraini cuisine.

DP WORLD
Centered around a five-storey waterfall installation to inspire and reflect the DP Pavilion creates an immersive 270-degree experience showing the transformative power of data in how we live and work.

DJIBOUTI
The Djibouti Pavilion introduces the country as the Land of Trade and Meeting, a hub for transportation and logistics, and a future leader in technology and economy.

BELARUS
The Belarus pavilion creates a forest experience highlighting lessons that humanity can learn from the natural world. It showcases how nature and technology can help us grow together.

BELGIUM
Covered in lush greenery, the arch-inspired pavilion is designed to demonstrate a green and smart Belgium. Don't forget to treat yourself to Belgium's world-famous fries known as *frietjes*.

ESTONIA
Experience the digital state of Estonia and be introduced to e-solutions that are part of its people's daily lives. Estonians do nearly everything online – digital is in their DNA!

EMIRATES
Experience the Future of Commercial Aviation in UAE's Centennial Year 2071. A technically advanced, must-see opportunity to learn, experiment and engage with future technologies and innovations in air travel.

BRAZIL
Given that the world's largest river runs through Brazil, it's no surprise that the pavilion incorporates water as its most striking feature, evoking the Amazon basin in the Dubai desert.

CHINA
As one of the largest pavilions at Expo 2020 Dubai, China will symbolise hope and a bright future. The pavilion artistically integrates the Chinese elements with modern technologies.

FINLAND
The Finland Pavilion resembles an Arabic tent made of snow. Inside the 'Snow Cape', visitors will discover the country's natural beauty and find a peaceful haven full of surprises.

FRANCE
Explore light as an enabler of progress, a vehicle for connections and a source of heat and creativity. The pavilion will feature Claude Monet-inspired solar panels and interactive light displays.

COUNTRY PAVILIONS

- OPPORTUNITY
- MOBILITY
- SUSTAINABILITY

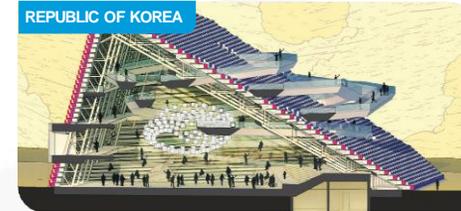

Enroll at Campus Germany for the lesson of a lifetime, learn about India's rich culture and heritage, and celebrate Korean Pop Culture.

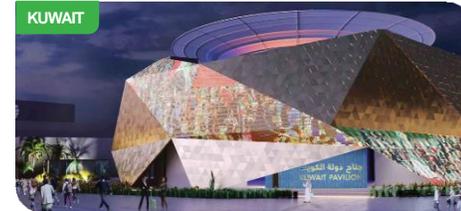

GCC
The pavilion will highlight the GCC's achievements and unity by creating an experience that showcases the links between its member states, including their shared history, religion and culture.

GERMANY
'Enrol' at Campus Germany for the lesson of a lifetime. Visitors can wear cutting-edge connected devices as they venture through a wonderful array of creative environmental ideas with real-life results.

REPUBLIC OF KOREA
Showcasing the wonder of mobility and how it changes our lives, the pavilion features the best of Korean technology, art and the nation's modern culture, including its world famous K-pop music.

KUWAIT
Discover a country with a far-reaching vision for sustainability and experience its culture through authentic Kuwaiti dishes. Get to know the people through an aural experience of music, song and poetry.

GRENADA
Reflecting Grenada's calm, safe and peaceful lifestyle, the pavilion features tranquil waters that mirror its relaxed and hospitable people. A country of rich history and culture passed down through generations.

INDIA
Reflecting its culture, heritage and technologies, including its space programme, 'new India' shows the strengths of human resources and youth aspirations. Enjoy food festivals, literary shows, music and dance.

LATVIA
Take a journey through imagination and thought. Feel a soft breeze and occasionally, a refreshing mist when you walk inside the Latvia pavilion - a space that creates a more breathable future.

LUXEMBOURG
Luxembourg will highlight the resources that have contributed to the country's success, and the essential need to preserve them and create new opportunities through their intelligent use.

INDONESIA
Explore how Indonesia is creating a better future with innovations that merge modern technologies and local knowledge. Expect cultural performances originating from different regions of the archipelago, an art exhibition and a delightful culinary journey.

IRELAND
Experience Ireland's culture and history, creativity and innovation throughout the pavilion. Experience Ireland as an unrivalled place of inspiration, with a long and deeply rooted heritage of ingenuity, imagination and innovation.

MALAWI
Malawi's pavilion will showcase the country's rich culture, business opportunities, tourism, historical and transformational journey in various sectors, and will offer an overall fun experience.

MALAYSIA
The carbon net-zero pavilion showcases the best of Malaysia's culture and its commitment to balance socio-economic progress with environmental concerns for a sustainable future.

ITALY
Italy will tell a story of culture, art, sustainability, education, science, security and innovation. Embark on a journey through history to the future, inspired by the connecting routes of the Mediterranean.

JAPAN
Get inspired to put the 'Join.Sync.Act.' message into action, and discover the vibrant art, culture and technology of the Far Eastern nation. Enjoy a restaurant with both Japanese and local elements.

MALI
Embark on a journey along the Niger River in joyful anticipation of finding a precious treasure. Discover the value chain of cotton and centuries-old Malian weaving techniques.

MAURITIUS
Dive deep into the Indian Ocean and virtually hike through the Mauritanian forests. A free trip to Mauritius is up for grabs if you can selfie while you surf!

COUNTRY PAVILIONS

- OPPORTUNITY
- MOBILITY
- SUSTAINABILITY

Walk through Monaco's multi-sensory journey, explore Singapore's urban innovations in the net-zero energy pavilion and embark on a treasure hunt in the Seychelles.

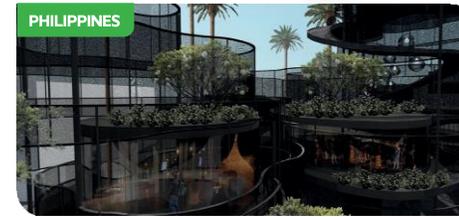

NETHERLANDS
Achieving sustainable solutions through out-of-the-box creativity, this pavilion takes you to a miniature world with its own climate system. Experience new Dutch farming ideas with indoor rain and a vertical farm.

MONTENEGRO
Immerse yourself in Montenegro's rich cultural history, explore its sustainability-driven future, and admire its wild beauty.

PERU
Enjoy a sensory experience through one of the cradles of mankind and most biodiverse countries in the world. See a real-time construction of the last Incan bridge and treat yourself to Peruvian superfoods.

PHILIPPINES
The pavilion is designed to resemble a coral reef or 'Bangkôta', focusing on the vital need to safeguard precious marine life across thousands of islands in the Philippines from global climate change.

NORWAY
Explore the deep blue sea and learn about the importance of ocean conservation as well as Norway's seafaring heritage. Embark on an interactive journey from beneath the seabed to the water's surface.

MYANMAR
Showcasing Myanmar's significant culture, deep history and values of its people, the pavilion incorporates unique wooden architecture.

PORTUGAL
Experience the human spirit through the diversity and inclusiveness of its people, reflect the culture of creativity and innovation, and reveal an ecosystem of great opportunities.

ROMANIA
Reflecting the close relationship between Romanians and nature that promotes sustainable economic growth and scientific innovation, the theme will also explore the country's rich culture and history.

OMAN
Oman's pavilion will give you an enchanting experience inspired by frankincense. The five zones within the pavilion will take you through thousands of years of Omani progress and international collaboration.

NEW ZEALAND
Reflecting the Maori value of "kaitiakitanga", the pavilion emphasises the deep kinship between people and the environment. Maori culture is also highlighted through the pavilion's architecture.

RUSSIA
Get a chance to see what future minds will be able to achieve. This pavilion will give you the opportunity to see inside yourself and offers a wide range of modern Russian cuisines.

SAUDI ARABIA
Covering an area of the size of two football pitches, the pavilion resembles a huge window opening up from the ground and soaring into the sky. Expect an immersive journey showing the country's glittering future.

POLAND
The tree-like structure, which references the large-scale migration of birds from Poland to the Arab world, explores the nation's diverse global connections, and its role as a leading producer of goods.

SRI LANKA
From local industries to human capital, the Sri Lanka Pavilion illustrates Sri Lanka's strong capacity as a partner in trade and tourism.

SUDAN
Wherever visitors turn their heads, they will find infinite opportunities in all areas of the Sudan Pavilion, designed by architect Sara Elhussein.

SINGAPORE
In the Singapore Pavilion, it is hard to tell where nature begins and architecture ends. Explore Singapore's urban innovations in the net-zero energy pavilion.

COUNTRY PAVILIONS

- OPPORTUNITY
- MOBILITY
- SUSTAINABILITY

Explore the knowledge of thousand-years-old Yemeni manuscripts and Tiptoe through the Scandinavian woodland, interwoven with geometric Islamic design.

SURINAME
Learn about Suriname's ethos of diversity, also known as 'Moksie Patu' (translating 'everything in one'), a reflection of Suriname's respect for unity and tolerance. Take a journey from city to vegetation to mountains, and explore the unique sounds, music and poetry of Suriname.

SPAIN
Discover Spanish creativity throughout the ages, showcasing Spain's close historical ties to the Arabic world. The pavilion is built from reusable materials including wood and iron.

UNITED KINGDOM
Explore leading British innovative expertise in sectors including artificial intelligence, machine learning and space. Inspired by Stephen Hawking, designed by Es Devlin and curated by AI, this pavilion will blend human creativity and technology.

UAE
Experience history of the nation as a connected global hub, and the vision of its leaders to create a peaceful and progressive society with ambitious plans for the future.

SWITZERLAND
A theatre emerging from a sea of fog, evoking the Swiss mountains. Take a 'hike' and see how Switzerland is responding to the challenges of tomorrow in a structure inspired by Bedouin tents.

ST. KITTS AND NEVIS
Explore the rich cultural heritage of St. Kitts and Nevis through beauty, food and music. This unique pavilion is sure to stimulate all five senses.

UKRAINE
Discover how future technologies and ideas can create a more balanced world, with inventions such as an e-bike travelling 380km on a single charge, a 3D printer for ceramics and solar blinds generating energy.

USA
The United States has hosted more than two dozen World's Fairs and looks forward to participating in what will be a World's Fair for the ages!

THAILAND
State-of-the-art technology meets traditional charm. Learn about the country's new economic model, development breakthroughs and experience the 'Thai DNA' of friendliness and hospitality.

SWEDEN
In Sweden's pavilion, the forest is a metaphor for co-creation. You will be inspired as you walk through a rich Scandinavian woodland that combines with geometric Islamic design.

ZIMBABWE
Representing Zimbabwe as a country whose strength is its people, the pavilion reflects a country rapidly diversifying into new areas of innovation and growth.

TURKMENISTAN
Majestic native Akhal-Teke horses will play a prominent role in this pavilion. Your movement within the pavilion will be reflected by 360-degree imagery, accompanying you through an interactive three-sided hologram.

TONGA
Relive your childhood imaginations in the Last Kingdom of the Pacific. Discover talking forests, swim with the whales and learn how to preserve the Earth.

JOIN 192 COUNTRIES IN CELEBRATION

MAKE THE WORLD YOUR CLASSROOM

CURATED EDUCATIONAL TOURS

Looking for a way to enrich your learning experiences beyond the classroom? Expo 2020 offers a unique and immersive insight to the future of your disciplines within a curated programme for schools and universities.

INSPIRATIONAL EXPERIENCES FOR FUTURE YOUNG LEADERS AND GLOBAL CITIZENS

Seven curated tours that will bring your disciplines to life through the stories of an integrated connected world, with opportunities to connect with industry experts.

SUSTAINABILITY EXPONENTIAL SUSTAINABILITY

Discover how collective action amplifies impact on our environment

INNOVATION & TECHNOLOGY CREATING THE FUTURE

Change the future of transportation and revolutionize the way economies function

BUSINESS & ENTREPRENEURSHIP INNOVATION IN A COMPLEX WORLD

Explore the strategies that creates a positive impact in communities, companies and countries

INTERNATIONAL STUDIES & MEDIA CRAFTING A NATIONAL BRAND

Find out how 192 nations promote their cultures, boost their economies and national agendas

HOSPITALITY, TOURISM & MEGA-EVENTS FROM DETAILS TO THE BIG PICTURE

Appreciate how Expo's legacy will impact tourism for decades to come.

ENGINEERING & CONSTRUCTION THE FUTURE – INDUSTRY 4.0

Learn sustainable practices, digital technologies and new business models

ARTS, ARCHITECTURE & DESIGN CURATING INSPIRATION

Admire the inspirational artworks of the world's most distinguished creators

SUSTAINABILITY

EXPONENTIAL
SUSTAINABILITY

On this tour, you'll learn how communities, cities, organisations and even countries are partnering with the planet to restore the Earth's natural balance. Together, humanity can work towards an exponentially impactful solution, and you can be at the heart of it.

HEROES AROUND THE WORLD ARE ADDRESSING CLIMATE CHANGE.

By using disciplines such as economics, architecture, urban planning and innovative technology, climate change is being addressed – but it can't be achieved alone. Collective action amplifies impact.

3-DAY SCHEDULE

1

MOTHER EARTH AS MUSE, PLANET AS PARTNER

Connect with key environmental and sustainability issues. Be inspired by what environmental leaders are already doing to bring change through innovation.

2

IT TAKES A VILLAGE

How can we organise our economies to better benefit people and the planet? See how innovative countries are working towards a brighter future.

3

WE ARE THE ONES YOU'VE BEEN WAITING FOR

From individual to collective action, we all have a role to play in securing a more sustainable future. Discover the big ideas already coming to life and commit yourself to a new goal.

LEARNING HIGHLIGHTS

- ✓ Experience the Sustainability Pavilion, built to meet LEED Platinum green building standards.
- ✓ Discover the opportunities and optimism that occur when the world comes together to collaborate on solutions towards a sustainable future.
- ✓ Discover the latest in cutting-edge sustainable technologies.
- ✓ Connect with leaders and entrepreneurs from around the world who share a passion for sustainability.

LEARNING OBJECTIVES

Compare and contrast how different nations are striving to be more sustainable.

Recognise how sustainable systems are influencing innovations in fields ranging from urban planning to economics to transportation.

Demonstrate an understanding of Expo 2020's legacy plans and how the site was built with sustainability in mind.

INNOVATION & TECHNOLOGY

CREATING THE FUTURE

THROUGH INNOVATION

AND TECHNOLOGY

Be among the first to experience some of the technologies that will help us live more sustainable lives, change the future of transportation and revolutionise the way economies function. Learn about what it will take to remain competitive in the future and how these trends will affect your own career plans.

IN 1904, IT WAS THE X-RAY MACHINE IN 1939, IT WAS LIVE TELEVISION. WHAT WILL EXPO 2020 BRING?

Since 1851, World Expos have showcased inventions that profoundly alter how we experience the world. From the disruptive technologies being used to address climate change to innovations in mobility, this tour highlights the most cutting-edge solutions in the world today – technologies that will shape life for generations to come.

3-DAY SCHEDULE

1

ENERGY AND WATER

Sustainability: It's the topic of the century, and for good reason. Discover green approaches to meeting the world's growing energy and water demands.

2

LAND TO SEA TO SPACE

New ways of getting around are on the horizon. Learn about the latest innovations in transportation and mobility.

3

SMART FACTORIES TO SMART CITIES

What will urban life be like in the future? How will business get done? Explore innovations in economics and city planning.

LEARNING HIGHLIGHTS

- ✓ Witness cutting-edge technologies from energy, transportation and life sciences.
- ✓ Experience massive AI and VR demonstrations.
- ✓ Connect with the social innovators using technology to change the world.

LEARNING OBJECTIVES

Demonstrate understanding of how digital transformation is impacting modern life, city living and government processes.

Identify what skills it will take to remain competitive and "future-proof" as technology changes the way that work gets done.

Examine the innovative technologies being designed to harvest renewable energy sources, protect resources such as water, and combat climate change.

BUSINESS & ENTREPRENEURSHIP

INNOVATING OUR WAY TO
A BRIGHTER FUTURE
IN A COMPLEX WORLD

Growing environmental awareness is already changing how corporate leaders define the bottom line and how industries manufacture products. With a focus on social entrepreneurship, this tour will not only leave you feeling inspired by the contributions that others are already making to the world through business, but will also serve as an opportunity for you to consider your own role in creating a brighter future.

WHAT KIND OF IMPACT WILL YOU MAKE THROUGH YOUR CAREER? WHAT WILL YOUR LEGACY BE?

Courageous entrepreneurs, creative intrapreneurs and innovative governmental bodies around the world are reframing challenges as opportunities and successfully navigating our increasingly interconnected world.

3-DAY SCHEDULE

1

FROM THE GROUND UP

Social entrepreneurs are changing the way that we think about business. Learn about some of the world's most impactful startups.

2

INNOVATING ORGANISATIONS

Employees at established companies can work like entrepreneurs, too. Discover how intrapreneurship is transforming organisations around the globe.

3

GOVERNMENTS IN A COMPLEX WORLD

Governments and international governing bodies are coming up with innovative ways to collaboratively address global challenges. Explore the policies being put in place to create positive economic impact.

LEARNING HIGHLIGHTS

- ✓ Solve a case study relating to a business opportunity presented at one of the Expo 2020 country pavilions.
- ✓ Be inspired by social entrepreneurs using the principles of business to tackle global challenges.
- ✓ Gain exposure to industry experts and business leaders from around the world, as they gather at Expo.

LEARNING OBJECTIVES

Identify new careers and job opportunities at the cutting edge of different industries.

Recognise the importance of social responsibility, environmental responsibility and social impact in business today.

Practise reframing tough challenges as business or entrepreneurship opportunities.

INTERNATIONAL MEDIA & RELATIONS

CRAFTING A NATION

BRAND THROUGH

STORYTELLING

This tour gives students a chance to reflect on the powerful stories being told at Expo 2020 and examine the media channels being used. You'll leave as a more informed global citizen, with a better understanding of the impact of platforms such as World Expos in the diplomatic, economic and political realms.

ONCE EVERY FIVE YEARS, THE COUNTRIES OF THE WORLD COME TOGETHER ON ONE INCREDIBLE STAGE.

Nations will be using their presence at Expo 2020 to establish new diplomatic ties, promote their cultures, boost their economies and further national agendas. But how do they do it?

3-DAY SCHEDULE

1

MONEY MAKES THE WORLD GO ROUND

World Expos are an exceptional venue for nations to strengthen business relationships. Discover how mega-events impact their economies.

2

WHEN NATIONS COME TOGETHER

Explore how nations come together at Expo 2020. Examine how international entities, representing different regions of the world, advocate for their interests.

3

SHARING OUR CULTURES

For six extraordinary months, 192 countries are coming together to share their cultures and celebrate what makes them unique. Experience it for yourself.

LEARNING HIGHLIGHTS

- ✓ Travel all the way around the world, visiting every continent, in just three days.
- ✓ Study Expo 2020 as a masterclass in international coordination and extract best practices in international marketing and media.
- ✓ Challenge stereotypes and gain cross-cultural understanding.

LEARNING OBJECTIVES

Identify and interpret the messages that countries are communicating through their presences at Expo 2020, focusing on their national identities, goals and values.

Identify the stakeholders behind each pavilion, and analyse how their motivations, national priorities and perspectives influence their presence and exhibitions.

Consider the reasons that countries participate in Expos, with an emphasis on increasing tourism, increasing foreign direct investment and gaining access to new markets.

HOSPITALITY, TOURISM & MEGA-EVENTS

FROM THE SMALL DETAILS TO THE BIG

PICTURE: CREATING EXCEPTIONAL

VISITOR EXPERIENCES

Event planners must master the art of both staying on top of the details while also keeping track of the bigger picture. On this tour, which includes exclusive behind-the-scenes insights, discover what goes into creating an incredible visitor experience, learn how the infrastructure of the site was planned, and understand how Expo 2020's legacy will impact tourism for decades to come.

DELIVERING A SEAMLESS MEGA-EVENT FOR SIX CONSECUTIVE MONTHS IS NO SMALL FEAT.

An exceptional visitor experience requires coordination between thousands of people, managing lots of moving parts. Service and hospitality must be impeccable, the physical atmosphere must be immaculate, food and beverage must be delicious, entertainment must be fresh and engaging, and operations must be smooth and seamless.

3-DAY SCHEDULE

1

THE DAY-TO-DAY DETAILS

From shading structures to gate-opening procedures, discover the details that add up to a world-class visitor experience.

2

THE LONG-TERM PLAN

Discover how hospitality has been carefully integrated into Expo 2020's legacy plan.

3

GLOBAL TRENDS IN TOURISM

Take a journey around the world. Explore the trends that are shaping the future of hospitality, tourism and travel.

LEARNING HIGHLIGHTS

- ✓ Tour some of the signature spaces designed for world-class events and programming.
- ✓ Experience the digital trends that are transforming the hospitality and tourism sector.
- ✓ Gain first-hand exposure to how service comes together in a truly global mega-event.

LEARNING OBJECTIVES

Understand the coordination and planning that goes into delivering a seamless mega-event.

Compare and contrast how different regions of the world are approaching tourism and hospitality.

Consider how the legacy of a mega-event such as Expo 2020 can fuel the tourism industry for years to come.

ENGINEERING & CONSTRUCTION

THE FUTURE OF
ENGINEERING
AND CONSTRUCTION

Discover how these innovations are already transforming how cities are engineered and constructed, and how they've been put into practice at Expo 2020. You'll leave with a new appreciation for the built environment, a deeper passion for engineering, and industry insights that will help you excel in your career.

TWO UNSTOPPABLE FORCES ARE SHAPING THE FUTURE OF ENGINEERING AND CONSTRUCTION:

Discover the impact of the industry's growing environmental awareness and the constant introduction of new technologies.

3-DAY SCHEDULE

1

GREEN ENGINEERING, HERE WE COME

If we're going to win the battle against climate change, we're going to need to build in new ways. Enter: sustainable engineering.

2

INDUSTRY 4.0

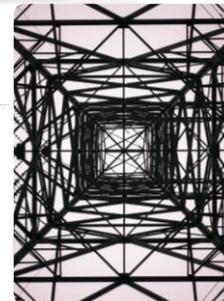

Smart technologies are transforming engineering project management. Learn how these changes informed the construction of Expo 2020.

3

SMART CITIES AND THE CIRCULAR ECONOMY

The future is now. Explore innovative approaches to economics that will forever change how products are engineered, how cities are built, and how we all live.

LEARNING HIGHLIGHTS

- ✓ Experience cutting-edge technological innovations first hand.
- ✓ Get up close with impressively constructed signature pavilions.
- ✓ Gain exposure to leading engineers from around the world.

LEARNING OBJECTIVES

Examine how engineers are developing new ways to build sustainably.

Experience how new technology is revolutionising the engineering and construction industries.

Understand how international engineering and construction projects come together with multiple stakeholders, contractors and sources of raw materials from around the world.

ARTS, ARCHITECTURE & DESIGN

CURATING INSPIRATION FOR YOUR CREATIVE CAREER

Experience signature buildings designed by Santiago Calatrava, Grimshaw Architects and Foster + Partners, and discover how preeminent artists, designers and architects find inspiration for their creative practices to tell stories through their work.

With the world as your muse, you'll never see the arts in the same way again.

DON'T MISS YOUR CHANCE TO EXPLORE THE CREATIVE PLAYGROUND THAT IS EXPO 2020.

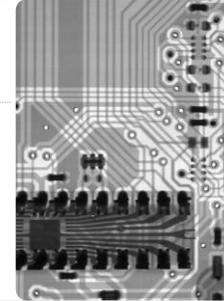

The exquisitely designed site is vibrant with artistic ingenuity from every corner of the globe.

3-DAY SCHEDULE

1

DIGITAL CREATION, BUILDING WITH BITS

Digital technology is more than inspiration for artists – it's a material woven into their work's structure. Explore designs that blend the physical and digital.

2

BLAST FROM THE PAST

It takes creativity to make what was old new again. See a fresh ancient materials, age-old forms and historical construction techniques.

3

INSPIRED, NATURALLY

The natural world is one of the oldest sources of inspiration. Discover how living systems continue to inspire artists.

LEARNING HIGHLIGHTS

- ✓ Get up close and personal with signature buildings designed by world-famous architects.
- ✓ Analyse architectural, artistic and design masterpieces from countries around the world.
- ✓ Develop drawing and observation skills through practise.

LEARNING OBJECTIVES

Examine how the arts, architecture and design are adapting and responding to environmental and social challenges.

Consider the social and ethical responsibilities of artists, architects and designers in the modern world.

Gather many new sources of inspiration and ideas to fuel future creative work.
